## How to Get to the Venue

Please use C4 or C5 exit of subway, and you can enter the building directly in the basement. If you use C2a exit of subway, go aboveground and follow the sidewalk on your left, then you will find the Otemachi One's shared entrance. Please enter and go up to the 3rd or the 4th floor by an elevator or escalators.

# Otemachi Mitsui Conference

## Carrying-in/out

### Loading/Unloading Area.

Please use the loading area on the 2nd basement. A loading vehicle needs to submit your application to the building's logistics center and get a permission in advance.

Parking for purposes other than loading is strictly prohibited.

On-street parking, loading from the 1st floor or other entrances are strictly prohibited.

Note that the 3rd basement can't be used for loading. This floor is only for reserved parking and pay parking.
